Preventive Maintenance Program

Giving You Peace of Mind for Your Chamber Operation

Our Preventive Maintenance Program allows you to choose the right level for your new or existing chamber service requirements. This assures that your individual chamber receives the exact preventive maintenance it needs. Each level offers many benefits and discounts on our normal service rates. The Preventive Maintenance Program keeps your chamber running at peak performance and avoids unexpected interruptions or downtime while prolonging the life of your chamber.

Our Service Support Group can help you determine the best PM level

The **Platinum, Gold and Silver** levels offer various services on key components and vital functions of your chamber including:

- > **Electrical**
- > **Refrigeration**
- > **Chamber Cabinet**
- > **Instrumentation**
- > **Humidity**
- > **Optional Components**

Loyalty Plus Discount Service Program

The Loyalty Plus Discount Service Program offers many valuable cost savings benefits for service requirements on multiple chambers.

Become a Loyalty Plus Service Customer and Benefit from:

Attractive discounts on our normal rates for:

- > Labor
- > Travel time
- > Mileage
- > All parts and materials
- > Selected calibrations

Additional Benefits:

- > No overtime charges Monday through Friday
- > Next day delivery of all parts in stock if ordered by 2:00 PM Eastern Standard Time.

Contact our Service Support Group for complete details on the Preventive Maintenance & Loyalty Plus programs.

Quality

Weiss Technik North America, Inc. helps make the task of compliance with the QS9000 3rd Edition Calibration Mandate much simpler. There is no need for you to take the time to actively seek an accredited laboratory.

Weiss Technik North America, Inc., certified ISO9001 in 1997, can provide the latest required ISO/IEC 17025 (A2LA accredited) calibration services at your facility. These services meet 17025 requirements and ensure that your company is in compliance with the most recent changes in the QS9000 3rd Edition mandate.

Please contact us for a copy of our Certificate of Accreditation and a copy of our Calibration Scope of Accreditation.
